

ARMY & NAVY

WILL SET FORTH NEEDS OF GUARD IN NOON TALKS

Gatherings at Various Clubs to
Mark Beginning of Campaign
for Punchbowl Camp

To create interest among the citizens of Honolulu in the completion of the National Guard camp site and rifle range on Punchbowl, special meetings are being held this week, beginning today.

It is the intention of the National Guard that the camp when finished shall be a place not only for guard drill, but for drill of citizens who wish to train after the manner of the citizens last summer in Flatbush.

First of these special meetings was at the Ad Club lunch today, when Maj. M. J. Lenihan, 2nd Infantry, U. S. A., told the clubmen of the National Guard of Hawaii. Maj. Lenihan is thoroughly familiar with the work of the Guard, having made the inspection of the troops in 1915, and was able to speak fully of their needs.

Tomorrow, Senator James L. Coke will address the Rotary Club, the burden of his address being the territorial militia, and its need of support. Brig.-gen. John P. Wisser, Governor Pinkham and Frank Thompson will be the three speakers on Friday at the Commercial Club.

Gen. Wisser's theme will be the National Guard, and as the general will be leaving in a short time to retire from the army for age, it is expected that a large number of Commercial Club members will be present to hear him. Governor Pinkham's talk will deal with the guard, of course, as will also Mr. Thompson's.

It is the wish of the National Guard to raise funds for the construction of permanent buildings, the installation of a complete water system, and the acquiring of all other things which go to make a well-equipped camp. Members of the Honolulu Rifle Club—the civilian organization with the National Rifle Association—are to have the use of the range when it is completed, and are backing the plans of officials to raise the necessary funds.

ORDERS OF THE HAWAIIAN DEPT.

Under the provisions of General Orders, No. 31, War Department, 1914, the following named enlisted men will be discharged from the army by the commanding general, Schofield Barracks, H. T., by purchase: Pvt. Jack Cohen, Company A, and Jess Chorom, Company B, 1st Infantry.

Van Way, Quartermaster Corps, in person: Forts Armstrong, De Russy, Kamehameha, Riser, Shafter, the Department Hospital, and Schofield Barracks, H. T. Capt. Van Way will be accompanied by Pay Clerk Frank E. Parker, Quartermaster Corps. Commanding officers will furnish requisite guards and escorts upon application of the officer making payments.

SCHOFIELD LOSES COOK

He is 28 years of age, a cook by occupation, weighs 130 pounds, has brown eyes, dark hair, and a complexion which is inclined toward ruddiness. Mayers left the post at Schofield on March 30, at which time he was wearing the regular uniform of the service.

Fort Shafter Notes

(Special Star-Bulletin Correspondence)
FORT SHAFTER, April 25.—Under the provisions of general orders recently issued from the war department the following named enlisted men will be discharged from the army by the commanding officers of their respective stations, by purchase: Pvt. Charley Vaughan, Troop K, 4th Cavalry, Schofield Barracks, and Pvt. Frank Adamczak, Company A, 2nd Infantry, Fort Shafter, T. H.

The date of the informal hop at Fort Kamehameha has been changed from May 2 to April 29.

Garrison school will commence at the fort on June 1. This is a three-year course of instruction and all second lieutenants will attend, excepting Lieut. Frank A. Sloan, who has already completed the prescribed course in instruction.

Upon the recommendation of the commanding officer, Company H, the following promotion has been made in that organization: Cpl. Clyde Flanders, to be sergeant, vice Brown, furloughed and transferred to the army reserve.

Capt. James E. Bell, the post exchange officer, is planning to put a roof over the aerodrome in the near future. This will be most welcome to the many patrons of the open-air theater, as the showers of rain that are continually occurring last just long enough to more than just dampen the enthusiasm of many, so the covering will do a great deal to add to the already popular place of amusement. This roof will cost several hundred dollars, so the management has decided to increase the price of the monthly tickets from \$1.25 to \$1.50 and in this way raise the amount needed. A splendid selection of pictures has always been shown here and for the small sum of 5 cents the men are able to see the same films shown at the popular "movie" houses in Honolulu for a much higher price.

The hop given by the U. S. War Veterans of the Col. Francis W. Maasfield Camp No. 2, last night proved very enjoyable and a delightful evening was spent by all of the guests. The Pali Glee Club furnished the Hawaiian music and a goodly number of guests were present from town and other posts.

Lieut. Joseph A. McAndrews has selected the quarters recently vacated by Capt. E. H. Hartshorn and Lieut. McAndrews' quarters have been thrown open for selection.

The hop committee has announced that there will be an informal hop on Friday evening. This is the first dance for several weeks and everyone is glad to hear of this announcement.

Officers of the Medical Corps in the department ordered relieved are Captain Albert P. Clark, on July 31, and Capt. Joseph L. Siner, on July 2, as well as Lieut.-col. F. P. Reynolds.

KALOI RECEIVES APPOINTMENT.
Daniel Kaloi, 2d Infantry, National Guard, has been appointed to rank of 1st lieutenant for Company F, Hawaii. Kaloi is stationed at Oiaa.

LITTLE INTERVIEWS

—FRED W. MACFARLANE: At the rate shoe prices are going up, we may have to wear Japanese sandals soon, or go barefooted.

—W. Y. NOLLEY: It was about a tossup as to whether we sent or received more Easter greetings at the federal office Easter day.

—DR. F. E. TROTTER: If Capt. William Matson were to take off the Lurline or the Manoa, and put them on some other run where he could make about 10 times what he does from them now, we wouldn't have enough to eat in Honolulu.

—E. D. TENNEY: Honolulu business men say they are grateful to the Matson line for serving Hawaii when other lines have withdrawn their boats. Let's hope they won't turn around and give their business to some line charging 10 cents a ton less after the war is over.

SIGNAL CORPS BALL TONIGHT

Tonight at Fort Shafter, Field Company E, Signal Corps, will give another of their dances, invitations having been issued for the affair.

Guests from Honolulu are asked to secure transfers from street cars at the end of the King street line, taking the Rapid Transit bus or the regular army busses, which will convey them to the post hall.

Albert Jacobson, bandmaster of the 2nd Infantry, will be on hand this evening to lead his men in dance music for the occasion. Busses leaving the hall at the close of the dance will afford time to catch the last through cars to town.

BAKER APPROVES PLAN FOR GUARD ARTILLERY

Along plans which were announced in the Star-Bulletin several months ago for the establishment of companies of coast artillery in the National Guard of Hawaii, the secretary of war, through the bureau of militia affairs, has approved the proposal.

The companies—four in number—will be organized as soon as Adjutant-General Johnson has the necessary formal steps completed. Lieut. G. K. Larrison has already been working on preliminary plans with the regular army officers, and recruiting of men for the companies will begin in a short time.

COMES FROM MAINLAND TO WED SCHOFIELD MAN

In the presence of a few friends, Samuel Israel Zeidner and Miss Mary Louise Hammon were married last Saturday by Rev. Canon William Ault. The wedding was held in St. Andrew's cathedral.

The bridegroom has been a resident of the island for three years, but the bride arrived only a few days ago from the states. Mr. and Mrs. Zeidner will make their home at Schofield Barracks.

General Zupell, Italian minister of war, has resigned. General Paolo Morone was appointed to succeed him.
